GHOST TACO

Ghost Taco started as a pop-up shortly after the pandemic. This business grew rapidly through word-of-mouth. Upon impressive sales they decided to perfect their menu and packaging, moving on to open 3 different existing locations with 1 coming (soon to be) and they are looking for more!

Current stores are in Newmarket, Vaughan and Peterborough with a new location set to open soon in Whitby! This franchise provides quality ingredients with an on-trend dynamic brand that takes a proven concept to the next level.

Searching for AAA locations throughout Ontario with 1,200 sq ft - 1,800 sq ft commercial retail spaces with potential to move in with an existing tenant when location and branding coincide. Please contact us here at carve with available spaces and opportunities.
