BUILDING DETAILS

Yonge and Bloor is one of the most high-profile intersections in Toronto, and it's a prime spot for a restaurant—especially if you're going for visibility, foot traffic, or a prestige location. The intersection connects two subway lines (Line 1 and Line 2), making it one of the busiest transit hubs in the country.

Property Details: The perfect opportunity for a seasoned operator looking to make their mark. There is a lot of potential here to not only build a source of real profit but to turn it into a bonafide moneymaker.

Great space for a QSR, cafe or franchise in a premium location.
